

MARRIAGE VISA

Dear applicant,

all applicants must produce a valid passport and the employment pass, dependant's pass, student pass or blue IC with re-entry permit (persons without a residence status in Singapore can not apply).

Processing can take **2-3 months**, it is recommended that at no time a flight ticket should be purchased until a visa has been granted. The Embassy forwards the application to the competent Aliens authority in Germany and does not has any influence on the processing time.

We ask that **no** status requests on the visa application be made if the required 2 month processing period has not passed. You may however request a status update if after 2 months from application you have not received any information. The applicant will, on completion of the processing, receive a prompt notification.

It is the applicants responsibility to ensure that his/her application is submitted on time. Bad planning on the side of the applicant does not automatically warrant exceptional handling from our side..

The fee for the processing of the visa application of an adult is the equivalent of € 60.00 **and must be paid in cash in SGD.**

All documents need to be submitted in the **original as well as 2 copies..** Copies will not be made by employees of the Embassy.

This information does not guarantee a definitive list of documents to present on application. Further documentation can at all times be requested or provided by the applicant, in support of the application.
