

VISIT VISA (Schengen Visa)

If you want to travel to Europe you have to submit your application for a Schengen Visa to the Embassy of the country which - considering the **main purpose** of your intended stay - is your main destination. If no such main destination can be ascertained, please contact the Embassy of the country of your first entry into the Schengen Area (overview of all missions accredited to Singapore: www.mfa.gov.sg) If you reside in Singapore and your main destination is Germany or Portugal, you have to submit your visa application to the Embassy of the Federal Republic of Germany in Singapore. Please note that your residence permit (employment pass, dependant's pass, student pass or blue IC) for Singapore has to be valid at least another three months with re-entry permit.

Applications must be submitted **in person** and cannot be submitted earlier than 3 months before travel date..
The visa process is normally finalised within **four working days** upon submission of your **complete** visa application.
For some nationalities (e.g. Afghanistan, Irak, Iran, Jordan, Libanon, Nigeria, Pakistan, Syria, Somalia, Sri Lanka and Sudan) the processing time of a visa application takes approximately **10 working days**.
It is the applicant's responsibility to ensure that his/her application is submitted in time. Bad planning on the applicant's side does not automatically warrant exceptional handling from our side.

The **fee** for the processing of the visa application of an adult is the equivalent of **€ 60.00** and must be paid in cash in SGD.

All documents must be submitted in **original as well as one copy**. Copies will not be made by Embassy staff.
This information is not a concluding list of documents. Further documentation can - at any times - be requested by the Embassy or provided by the applicant.

**Please submit the following documents in original plus 1 photocopy
(we can only accept *complete* applications):**
